LangChain🦜🔗

Chain of Thought

AUGMENTED STARTUPS
Fusing AI Innovation & Next-Gen Education

Sequence of actions or processes the model undertakes to arrive at a specific output

Steps to Success

Just like a human thinking process, the model also follows a step-by-step procedure.

Analogy
Trail of BreadCrumbs

Bigger Picture

The Chain of Thought is a fundamental component of LangChain's design, allowing it to handle complex tasks & generate meaningful responses.
